

HAUS-PARTY

Saturday, May 9th, 7pm
German Haus * 7901 SE Division St.

Bring your favorite appetizers for our finger food potluck

The Band Chervona:
Chervona means "red" and "beautiful" in Polish and Ukrainian, we play the songs that we love to sing, fun to listen to, easy to dance to. We play songs that are 3 or maybe 30 generations old and still kicking. There are few numbers that are original but, we give them good test by watching the level craziness in the audience while we play them. We make sure you get the best out of the best.
