

Lernen Durch Spaß!

Join us for this unique opportunity to learn German in an immersion setting right here in Oregon. Sponsored by the German American Society of Portland, this week-long overnight camp is just 22 miles east of Portland. Teachers and counselors help children ages 8-15 begin their German language study or advance their skills. Hearing German spoken throughout each day while being challenged to speak during activities and mealtimes makes this the best way to learn a foreign language.
